The College Survival Guide to Comfortable Living

The transition from high school to college is both exciting and nerve wracking. Preparing for these changes is hectic enough, so let cotton, the fabric that breathes comfort and versatility, help you relax and settle into the experience that's ahead. There will be moments throughout your college career when you will have to make tough decisions, and how to live comfortably shouldn't be one of them.

With this unique guide to college living, The Fabric Of Our Lives® will teach you how to make room, get a good night's rest, survive college bathrooms, study comfortably and make the most out of college life.

Make Some Room:

Give yourself some room and live comfortably with these cotton must-haves that maximize space and simplify college living.
